**14-Day Castles Tour Highlighted by Castles of the World in 2000**

SUGAR LAND, TX -Jan 29, 2000 - Castles of the World launches its first castles tour which now offers castles lovers the opportunity to visit the most famous castles of Europe in a 14 day fully escorted tour leaving September 15, 2000. It will be a premium top quality escorted tour with English-speaking tour guides, first class hotels and delicious meals.

There are twelve castles to be visited, including the fantasy castle of Neuschwanstein from which Disney based the Cinderella castle, the elaborate Palace and Gardens of Versailles, the Castles of the Loire Valley, Chillon Castle which was immortalized by the poet Lord Byron, Bouillon castle famous because of the first crusade and the fascinating Abbey of Mont St. Michel.

The tour includes visits to medieval and post medieval castles as well as different uses ranging from the most elegant palaces of the world to military fortresses; travelers will also experience castles in different conditions ranging from the opulence of Versailles to the inhospitable castle of Bouillon.
